

Thunderbird Artists, Inc.

...a collector's paradise™

Thunderbird Artists proudly presents its 2010/2011 series of world-class, juried fine art festivals. Over the past 30 years, we have built a reputation of excellence in the fine art community, with artists and patrons alike, through trust and consistency. We've produced over 297 fine art events that have attracted millions of people who share in our love and appreciation for fine art.

Each event we produce is complimented by a dedicated advertising campaign. We utilize television, radio, newspaper, magazine, newsletters, press releases, sponsorships, cross marketing and direct mail advertising, in addition to our nationally recognized website and social media. Our marketing is directed towards, and our festivals attract, an affluent, upscale clientele who enjoy the finer things in life, like exceptional art, superior wines, wonderful live entertainment and the promise of a first class festival experience.

Thunderbird Artists cordially invites you to apply for the festival(s) of your choice. In order to take part in the jury process, each application must be completely filled out, signed and include two separate checks, four (4) slides of artwork (labeled with name and an arrow in the top right corner), one (1) photo of display and two (2) SASE (letter size- \$.61 postage) for return of notification and slides. Slides submitted must be representative of recent work to be exhibited.
